STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
THE APPLICATION FOR A LICENSE OF

DOUGLAS E. RAPISARDA, M.D.,

Applicant

ORDER DROPPING LIMITATIONS

On September 19, 1994, Dr. Rapisarda filed his application for a license to practice medicine and surgery in the State of Wisconsin. Because Dr. Rapisarda indicated on his application that disciplinary action had been taken against his license in the State of Iowa, he was asked to appear for oral examination in connection with his application. Dr. Rapisarda appeared before the board at its meeting of November 17, 1994, and the board considered his application on that date. Based upon the application, and upon other information of record, the Medical Examining Board and Dr. Rapisarda entered into a Stipulation by which the board agreed to grant and Dr. Rapisarda agreed to accept a limited license to practice medicine and surgery in the State of Wisconsin. The board thereafter granted the limited license by its Order dated December 14, 1994.

By the terms of the board's Order, the term of the limited license was three months, and Dr. Rapisarda was required to appear before the board at its meetings of March 23, and June 28, 1995, in support of any petition for renewal of the license. At his June 28, 1995, appearance, Dr. Rapisarda petitioned the board for a full unlimited license. The board considered the matter on that date.

ORDER

NOW, THEREFORE, IT IS ORDERED that the limitations on the license of Douglas E. Rapisarda, M.D., established by the board's Order dated December 14, 1994, be, and hereby are terminated, and Dr. Rapisarda is granted a full, unlimited license.

Dated this 28th day of June, 1995.
